Dear Ananya Narang:

Congratulations! We are excited to inform you that our Admissions Committee has selected you for the 2025 HPAIR Asia Conference at The University of Tokyo in Tokyo, Japan. On behalf of the entire team at the Harvard College Project for Asian and International Relations (HPAIR), please accept our warmest congratulations!

Our team thoroughly reviews each written application and carefully considers every interview. We accept only those who show the most significant promise and potential and will contribute most to our 2025 HPAIR Asia Conference (ACONF). Based on your previous experiences, merit, and passion, we hope you will share your unique ideas with fellow delegates worldwide at ACONF 2025.

This year's Asia Conference theme is Reinventing Vitality: Momentum and Memory. HPAIR's goal is to create a global community of individuals dedicated to collaborative achievement, and this year's theme reflects our values of conservation, connectivity, and creativity. From understanding how to keep dynamics in society while embracing uniqueness in a globalized world, this conference invites participants to explore approaches to innovation.

In the past few years, our conferences have featured global business leaders (CEO of McKinsey & Co., COO of Zoom), top government officials (former Vice President of the Philippines, U.S. Trade Representative, former Chief Secretary of Hong Kong), international celebrities (Janice Koh, Anupam Tripathi), Nobel Prize winners (Muhammad Yunus, Seth Shelden), among many others! This upcoming conference will occur from August 20-24, 2025, in Tokyo, Japan. It will allow you to engage with even more renowned speakers, network with fellow delegates, and create lifelong memories and connections.

As the Co-Presidents of HPAIR, we want to congratulate you on your acceptance and warmly welcome you to the HPAIR community. We look forward to meeting you in August!

Warmly,

Gulirano Almuratova
